

This is a four year camp-
But that does not mean that you have to
start as a freshman- all highschoolers
with a yearn to develop their leadership
skills are welcomed

The sessions are developed in two
different segments

First by grade concentration:

Freshman work on finding God's fit for
them

Sophomores concentrate on discovering
what it means to serve rather than be
served

Juniors and seniors learn the ins and
outs of being in a leadership role
involving children whether at camp,
Sunday school, community events, or
babysitting.

The second segment is by seminars
offered for everyone- leading a small
group, worship and campfire music,
building a fire, leading group games are
just some of the offerings to choose
from.

This weekend is extended into summer
leadership at our camps

Freshman become workcrew for the
elementary camps

Sophomores become workcrew for the jr
high camp or jr counselors in the
elementary camps

Junior and seniors become jr counselors
for elementary and jr high camps or
remain on workcrew if that is where
they feel their fit is.

Each step of the way the camp staff
works hard to support these young
leaders so that they are successful and
feel confident about themselves

CIT/Leadership Camp

CIT/Leadership camp teaches high school students how to become the servant-leaders of the next generation. CIT/Leadership prepares teens to become effective camp counselors and leaders for their home church programs through workshops, discussions and first hand experience. There have been a number of CIT graduates who have gone on to be in a variety of leadership roles within their churches such as leading Children's Sermons, organizing Vacation Bible School, teaching Sunday School class, the list goes on and on.

Romans 12: 4-8

“For as in one body we have many members, and all members do not have the same function, so we, though many, are one body in Christ, and individually members one of another. Having gifts that differ according to the grace given to us, let us use them: if prophecy, in proportion to our faith; if in service, in our serving; he who teaches, in his teaching; he who exhorts, in his exhortation; he who contributes, in liberality; he who gives aid, with zeal; he who does acts of mercy, with cheerfulness”

Presbytery of the Cascades provides individuals of all ages the opportunity to grow in their relationship with Jesus Christ, each other, their families and their church home through outdoor living experiences in a distinctly Christian Community.

These camps are made possible through the generous “Presbyterian Partnership Giving” of the churches of the Presbytery of the Cascades. Through these camps, which are presented by the Presbyteries Outdoor Ministry Team, we minister to hundreds of youth and families from throughout the Presbyteries region and beyond

CIT/Leadership Camp Location

Suttle Lake on the eastern slopes of the Cascades, 14 miles west of Sisters, Suttle Lake is a natural place to explore God's creation and experience Christ's love in a caring community. Enjoy hiking among tall trees, playing in the snow, and laughing with new and old friends.

Camps have long been defining experiences designed to encourage persons to hear, respond and develop as spiritual leaders called to inspire and lead others in lives of love. As we look to the spiritual formation and discipleship of the church in the 21st century, it is critical that we recognize the importance of the camp and retreat experience in contributing to the growth of our youth into healthy principled adult members in our local congregations

*These young people are leaders within the church Today
Thanks be to God for this rich gift!*
