

## **BENEFITS CONNECT – A SECURE BENEFITS WEB SITE FROM THE BOARD OF PENSIONS**

More than 13,000 Benefits Plan members and church treasurers and business administrators are taking advantage of Benefits Connect, the secure benefits Web site from the Board of Pensions. The site is a safe and convenient way to verify benefits and update information online.

Active and retired members, as well as surviving spouses, can easily review their benefits, make changes to their address and dependent information, get a pension estimate, and check their pension payments (if applicable). Active and disabled members who have Traditional Program coverage can also access their Statement of Benefits through Benefits Connect.

Church treasurers and business administrators can verify their contact information and their members' salary information. They can also securely submit salary changes and service terminations.
