

Presbytery of the Cascades
BISBEE FUND COMMUNITY MISSION GRANT APPLICATION, Fall 2018

The Katherine Bisbee Fund Community Mission Grants program seeks to provide financial support for local programs/projects which provide services that strengthen the bonds of communities, neighborhoods and families within the Presbytery of the Cascades. Due to the broad scope of this mission and the limited funds available, awards will be focused each year on a different broad service area. This year we are seeking applications from programs/projects which support and/or provide various types of ***victims of domestic violence or child abuse/neglect*** in our Oregon communities.

Priority will be given to ministries that are:

1. Faith-based;
2. Collaborative (done in partnership with other community churches or organizations);
3. Inclusive (provides services to all regardless of race, creed, color, gender, national origin or disability); and
4. Innovative.

Priority will also be given to start-ups and new initiatives within a ministry over funding for ongoing programmatic expenses.

INSTRUCTIONS: Please give careful attention to the following information:
