

# Grants for New Ministries

## Purpose

The New Ministries Team (NMT) seeks to participate in a new movement of the Spirit by encouraging existing ministries to grow and inspiring individual leaders and congregations to imagine new kinds of ministries for a new era of church. We exist to steward efforts in the Presbytery to begin new churches and ministries, and to encourage existing congregations to revitalize their mission through developing new ministries. New ministries are expected to articulate their mission and vision in terms of their faith.

## Process

Fill out the Grant Application for New Ministries and submit it by email. Be sure to attach all relevant documents and secure approval from the Session of the church or equivalent leadership of the sponsoring organization.

Applications are accepted year-round. Grant recipients are announced at the fall and spring Presbytery meetings. The application deadlines are November 1<sup>st</sup> and May 1<sup>st</sup>

Applicants who are receiving a seed grant of \$7,500. from 1001 New Worshiping Communities of the PC(USA) are eligible to receive a matching grant from the Presbytery of The Cascades NMT. See <https://www.presbyterianmission.org/ministries/1001-2/> for more information. Other proposals are evaluated on a case by case basis.

## Support

Besides the disbursement of grant funds, the Presbytery of the Cascades, through the NMT, will offer support and guidance, helping grantees find assistance for such needs as goal setting, skills training and coaching.

## Expectations

Grantees must be committed to promptly respond to communications from the NMT, submit a follow-up report and evaluation within a year, assist the NMT in sharing the project's story and vision with the Presbytery, and secure appropriate certification, training or mentoring.
